The owner, Broadcom Corporation, of one-hundred percent interest in the instant application, hereby disclaims the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration of the full statutory term of prior patent number 6,748,041 or prior patent number 6,526,113, as the terms of each of said prior patents are defined in 35 U.S.C. §§ 154 and 173, and as the terms of said claims of said prior patents are presently shortened by any terminal disclaimer.
